

# Style 1130 - UltraSoft® 7 oz FR Surveyor Vest

4" Trim Featuring 2" 3M™ Scotchlite™ Reflective Material

Designed with a multitude of pockets that are situated where you need them; including three inside pockets with VELCRO® closures, cell phone/GPS pockets, pen and tool pockets, a reinforced side map pocket with zipper closure, and grommets installed in the two lower front pockets for convenience to pull ribbon/tape through.

Specially designed for surveying, but suitable for anywhere flame resistance and high visibility is needed, including, but not limited to: oil and gas, utilities, railroad, construction/traffic.

- 7 oz - 88% cotton, 12% high tenacity nylon from Westex®
- 4" reflective tape for environments that require 4" reflective specifications
- Engineered for flame resistance and guaranteed for the life of the garment
- 50% extended garment wear life over 100% cotton
- Soft feel of cotton comfort
- Multi-purpose protection from electric arc, flash fire and molten ferrous metal
- Westex UltraSoft® fabric meets the requirements of: NFPA 2112, CGSB 155.20, NFPA 70E, CSA Z462, ASTM F1506
