FR612 - Bizflame 88/12 X-Back Insulated FR Winter Parka

Collection: Bizflame® 88/12

Range: Flame Resistant Multi-Norm

Shell Fabric: Bizflame 88/12: 88% Cotton, 12% Nylon, 300g

Outer Carton: 6

Product information

This Winter FR Jacket is perfect for the demands of the offshore industry. Constructed with 88% cotton, 12% nylon outer fabric and combined with an extra thick wadding insulation and FR cotton lining for extra warmth. This style also has high visibility yellow/silver/yellow reflective tape double stitched for enhanced visibility. Features include triple stitched seams, high visibility strips on shoulders, arms and body, concealed 2-way front brass zip and 5 pockets.

Bizflame® 88/12

The fabric is soft yet hard wearing and the quality of the construction is excellent. The generous fit contributes to the overall appeal of this winning garment.

Flame Resistant Multi-Norm

This industry leading flame resistant range provides multi-standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.
